Adopt-A-Room

RMHC Manitoba supports the health and well-being of children receiving medical care by providing essential services and a home away from home for their families.

As an Adopt-A-Room partner, choose a bedroom or common area at our new Ronald McDonald House[®], or Ronald McDonald Family Room[®].

With a single annual donation starting at \$5,000, your generous gift will provide all of the care, comfort, and support to critical pediatric patients and families in their greatest time of need, all services free. (RMHC Manitoba kindly asks for a suggested donation of \$10 per day, but no family is ever turned away for financial reasons.)

“

Adopt-A-Room was a perfect fit for our company. There was no better way for us to support a children's organization and provide a much-needed resource for families so they can heal together.

Meet the Kanhai Family

Ronald McDonald

Manitoba

The Kanhai Family (Marcilla and Jordan with daughter, Khalia) from Steinbach, MB.

"We stayed at the Ronald McDonald Family Room for three nights and at Ronald McDonald House for a week while our daughter, Khalia, received treatment for GBS (group B strep). She was improving every day and became stronger and more lively.

We went from not being able to hear our daughter's voice to being able to breastfeed her again and take her home. She got to go home after 12 days of being at the hospital. We are so thankful for all the staff at the hospital who took such good care of our daughter.

We are also very thankful for RMHC Manitoba. It made this very hard situation bearable and feel a little more normal. The staff were all so kind, and we even made connections with other families in the house. After Khalia became strong enough, we were so excited to be able to take her home and get back to normal life again.

We couldn't be more proud of our little warrior and are so thankful for everyone that helped her get to where she is today."

Thank you, RMHC Manitoba!"
