Employee Giving Program

Show your support through the RMHC Manitoba Employee Giving Program. By encouraging your staff to donate bi-monthly through payroll deduction, their generous gift will provide essential services and supports to families in their greatest time of need.

Employees have the flexibility to give any amount of their choosing, and companies can further the impact by matching their donations.

It's a convenient way to show your support, and at the end of each year, RMHC Manitoba will issue a tax receipt for the total amount deducted. (Minimum \$20 annual donation required.)
